## SPECIAL NOTICE – PERMITTING FEE SCHEDULE EFFECTIVE JULY 8, 2008

This is to notify you that by motion of the Board of Directors at the July 8, 2008 Board of Directors meeting, the Architecture Review Committee was authorized to amend and collect the following permitting fees, effective July 8, 2008, for the purpose of offsetting administrative costs incurred relative to construction review and the construction process, etc.:

(a) Application Package for New Home Construction (single family)	\$150.00
(b) Application for Additions or Remodeling	100.00
(c) Application for Pool and Cage Construction	100.00
(d) Application for Concrete or Flatwork	50.00
(e) Application for Fence	25.00
(f) Application for Well/Lake Irrigation	20.00
(g) Application for Condominium/Townhouse Construction (multi-family)	\$250.00/unit
(h) Application for Commercial Development	\$500.00/Tract

The permitting fee for multi-family construction projects is negotiated on a “per unit” basis, and not a flat rate of \$150.00. Please discuss the per unit rate with the Architecture Review Committee.
