(Issued 11/5/07)

LITTORAL REPLANTING UPDATE

As noted at the Burnt Store Lakes Property Association Annual Meeting on Saturday, October 13, 2007, many of the littorals planted during the summer were unsuccessful due to the lower than anticipated rainfall.

Aquatic Systems, our Lakes management contractor, plans to replant 60% of the littorals at no cost to property owners. The replanting is scheduled to take place this **THURSDAY AND FRIDAY, NOVEMBER 8th and 9th**.

The Golden Canna will not be replaced since it is unsuitable for our fluctuating and unpredictable shorelines. The Pickerel Weed and Spike Rush will be replanted where necessary and/or appropriate.
