

Community Notification #2007 - 08
(Issued 07/16/2007)

FORMATION OF SAFETY AND SECURITY COMMITTEE

Director Dave Chilcote has recently been appointed as POA Board Liaison for matters related to Safety & Security. In assuming these new duties, Dave has stressed that the term Safety & Security involves more than just crime prevention. Emergency preparedness, severe weather awareness, disaster recovery, first aid training, and resident safety education are among the issues that challenge our community.

To address these and other related concerns, Dave is seeking the assistance of interested BSL residents who are willing to join with him in the formation of a **Safety and Security Committee**. It is anticipated that the committee will meet monthly at first and, when feasible, continue with meetings every other month.

If you would like to participate in this important endeavor and help insure that BSL is truly a safe and secure community, please contact Director Dave Chilcote at 637-0138 or celebrate67@earthlink.net.
