In the event of a disaster or other large-scale emergency event, overburdened emergency personnel will need to rely on members of the community for basic assistance. This 4 night, 12-hour training program is geared to provide community members with the basic skills needed to help save and sustain life until assistance arrives. Additionally, the skills learned during **CERT** training also apply to daily emergencies. For more information about **CERT** – go to: www.citizencorp.gov/cert

Registration for CERT training is required. To register for this free program, please contact the POA Office at 639-5881 or online at bslpoa@sunline.net

These programs are sponsored by the Burnt Store Lakes Safety and Preparedness Committee. Attendance by anyone residing in the Burnt Store "corridor" is enthusiastically encouraged.
