Community Information Network

Community Notification #2008-14
(Issued 11/06/2008)

NEW OFFICE LOCATION

Effective December 1, 2008

**100 Madrid Boulevard, Unit 212
Punta Gorda, FL 33950**

As many of you are aware, the Board of Directors has been evaluating alternate facilities for the Association's office location. After thoroughly comparing the benefits and features of several sites, it has been decided to relocate the POA office to 100 Madrid Blvd , Unit 212 (just behind Bank of America near the corner of Burnt Store Road and Tamiami Trail). Our telephone and fax numbers will remain the same.

This new location features increased space for Association activities – including monthly Board meetings – in a more professional business environment. We are excited to move our Association's office to a facility better suited to the needs of our growing community.

Since the new facility is significantly larger than the current space, additional office furniture is needed. In an effort to conserve Association funds, POA members are being asked to contact the POA office if they have any items to loan that are suitable for office use. An example of helpful items would be two or three chairs and a low table to furnish the reception area.

Volunteers are also sought to assist with painting and decorating our new space. If you are handy with a paint roller or tape, please give us a call and donate your time and creativity. It is appreciated!

Please contact Sandy or Celeste at the POA office (639-5881).
