(Issued 02/01/08)

LONG RANGE PLANNING COMMITTEE - SURVEY

In order to identify future community needs, the Long Range Planning Committee is seeking some basic information about the children who reside in Burnt Store Lakes. As the Committee considers projects such as recreational equipment at the park, it is important for us to understand the user groups and their interests. Please let us know the **age and gender** (no names or addresses) of your children or grandchildren under the age of 18 who reside here and who would take part in activities at the park. Please **indicate a special interest**, basketball, for example, for consideration toward future enhancements. Data pertaining to your child's age and gender will **only** be used for informational purposes, and securely controlled without names or addresses.

The time you take to respond to this survey is greatly appreciated. Please feel free to contact the office at 639-5881 if you have any questions. You may send your responses to: cmidolo.bsipoa@yahoo.com.
