

**Burnt Store Lakes Property Owners Association
Community Information Network**

**Community Notification SAFETY & PREPAREDNESS Maxim Healthcare Flu Clinic
(Issued 9/16/09)**

The Flu Season is fast Approaching.

It is time to take ACTION.

**Sunday November 8, 2009
1:00 p.m. – 4:00 p.m.**

Growing public awareness has created a great demand for flu shots. Every fall, millions of people stand in line for access to this important vaccine since it's still the very best way to stay protected from the flu.

Burnt Store Lakes is partnering with Maxim Healthcare Services to bring this service to you. Maxim Healthcare Services' national experience in partnering with hundreds of organizations has resulted in vaccinating over a million people each year since 1996.

Maxim Healthcare is contracted nationally with Medicare Part B, and many insurance companies such as Aetna, Blue Cross Blue Shield, Cigna, Medicaid, and many more. A cash or check payment option is available for those who do not have insurance or Medicare Part B. Flu shots are provided at a cost of \$25.00, pneumonia shots at a cost of \$40.00, and tetanus shots at a cost of \$40.00.

Maxim is currently coordinating with the Health Department to obtain the H1N1 Swine Flu vaccine. Should this vaccine become available, your POA will let you know.

Look for additional information in the near future. We hope that many of you will take advantage of this opportunity. Please contact the POA office either by phone by calling 941-639-5881 or email at celeste@bslpoa.org. You need not register for this service; however, knowing how many wish to participate will allow healthcare personnel to plan and provide enough vaccines for all. Please e-mail Celeste with your intent to participate.

Burnt Store Lakes is happy to participate jointly with Burnt Store Golf & Activity Club in announcing a Flu Shot Clinic scheduled for:

**Wednesday October 28th
10:30 a.m. until 3:00 p.m.**

Flu shots will be administered through Regence Healthcare in the Burnt Store Marina on October 28th from 10:30 a.m. until 3:00 p.m. on the patio at the Burnt Store Golf & Activity Club. Pre-registration is required. You may register by stopping by the Administration Office or by calling the office at 941-639-4151. Cash or check payment is accepted, and assistance with Medicare forms is available.

Regence Health Care recommends the Pneumonia vaccine be repeated every 5 years.

What a great opportunity for community neighbors to share information and resources promoting the health & well-being for all! Decide which date is best for your schedule, and either e-mail Celeste at BSLPOA (celeste@bslpoa.org) or call the Burnt Store Golf & Activity Club (941-639-4151) to register for one of these clinics.
