

**Community Notification #2009 – 03b NEIGHBORHOOD WATCH  
(Issued 4/3/09)**

**Neighborhood Watch Meeting  
Tuesday April 7, 2009  
6:00 p.m.  
BSLPOA Park**

The Neighborhood Watch is part of our Charlotte County Sheriff's Department community outreach program, and coordinates with our POA Board of Directors.

The community continues to see low-level crime in its neighborhood. We are responsible to ourselves first, and as a community, to each other as a whole. As the economy deteriorates, we may be posed with greater challenges, and as hurricane season approaches, we should be prepared to respond to the safety of others.

Please plan to attend the 'Town Hall' style meeting where we will discuss our initiative to develop an 'All Hazards Community Plan'. This Plan centers around establishment of a Skills Inventory of area residents (who can provide expertise in specific, emergent areas, and how to reach them), and a Needs Assessment, (who will require assistance, what type, and how to locate them). This aspect of the meeting is designate as part of the Safety & Preparedness Committee and runs separate, but in coordination with Neighborhood Watch. Everyone's input is both valued and appreciated.

Please come forward on **April 7** with Matt Butcosk, Neighborhood Watch Coordinator, Bob Lilley and Fred Boland, Directors responsible for Safety & Preparedness, and the many volunteers already interested and active on this Committee.

**REMEMBER...YOU ARE THE EYES AND EARS OF OUR COMMUNITY!**
