

**BURNT STORE LAKES
PROPERTY OWNERS ASSOCIATION, INC.**

**POLICY / PROCEDURE STATEMENT
CATTAIL POLICY**

- Purpose:** This policy supersedes previous issues of **ALL** BSLPOA Policies on the subject of “Cattails”. This policy identifies actions that residents may take with regard to “cattails” growing in or around BSL Lakes.
- Scope:** Cattails are **not** allowed to be grown or planted around any lakes or greenbelt areas. They have been deemed to impede drainage and area a detriment to the greenbelt. The Board has advised the lake contractor to eliminate all cattails.
- Property owners are **not** allowed to kill **or** plant cattails on or around the lakes or greenbelt property. Property owners should notify the BSLPOA Office of any areas where cattails are observed growing.
- At a future date, property owners will be notified, through the Quarterly Review, when it is the proper time to plant approved water plants (list available in the BSLPOA Office).
